

a\_con

### Aesthetic Fulfillment.

Can functionality be exciting? a\_con proves the answer is yes. Strikingly clever, a\_con tabletops appear to float on air. Part of our art collection brand of unconventional contemporary design, a\_con is the height of transparency, simplicity and restraint.

Awarded gold at NeoCon and Orgatec, a\_con represents the seamless merging of clean linear design with today's real-world needs, instantly enlightening any environment.

HAWORTH®

Desking System

## Conference Tables

Aesthetics, ergonomics and functionality find the perfect balance in a tabletop that seems lighter than air. Exquisitely designed a\_con conference tables transition from large conferences to small project groups to presentations beautifully.

## Desks, Pedestals and Sideboards

a\_con combines flexible components with an intuitive electrical plan. Two work tops come together to create a greater whole. Desks and sideboards are flush with hidden surprises. Wiring is designed in. Smart.

## Intelligent Features

In a\_con, designer Albert Holz incorporates a wealth of considerate details, such integrated cable towers which conceal, guide and distribute technology wiring. Credenzas that reveal full-size projection screens. Versatile sideboard extensions. And much more.
