

Traditional does not have to mean stuffy. Prescott Seating proves this point. Whether you choose leather or fabric, these executive chairs cozy up to the richest, most traditional office. The finest upholstery and attention to detail-note the stitching and pronounced welt. The lightly rolled headrest forms the signature "P" for Prescott.

Prescott

Individual Comfort

Detailed Distinction

Traditional Craftsmanship

These classic chairs provide untraditional adjustment versatility for an untraditional degree of comfort. The contoured back features height adjustment for shoulder and lumbar areas, plus pneumatic seat-height adjustment, synchronized-tilt control and back tilt-lock create an individualized comfort.

Choose high back or low back, with either upholstered arms or wood trim arms. Prescott also comes with a wood or non-wood base.
