European Design

Performance Comfort

Global Availability

Classic European details such as the half moon cutout, optional chrome accents and contoured tailoring communicate a careful attention to detail. German engineering and ergonomic technology ensure ease of use and durability. The mid-back, high-back and side chairs enhance office, conference and board room settings.

Standard comfort adjustments include:

bio-synchronized tilt mechanism, pneumatic height adjustment, and four position back lock. Choose from black (standard), chrome or brushed aluminum trim. Black or upholstered arm caps.
