Wood is the most enduring material in our world. It embodies timeless beauty and depth. Each Tripoli® piece has more than half a century of Smed's wood manufacturing expertise built into it. How obsessive are we about wood? When building a Tripoli office suite we ensure every piece, from the worksurface top to the drawer front and closet back, is constructed from the same veneer source, resulting in unsurpassed superiority. Strong. Durable. Beautiful. Immerse yourself in Tripoli's rich wood accents. What other way is there to spend your day?
